

Technical services

Create a lasting impression

Here is the opportunity to create a total experience far beyond the ordinary. Wisby Strand can offer 15 custom-designed meeting rooms, all with excellent acoustics and good ventilation. Technically well-equipped facilities allow for features to enhance and clarify your message. We can also offer over 2 000 square metres of exhibition space adjacent to the meeting rooms, which provides further possibilities.

Whatever the purpose of your event, the impression should be lasting!

All prices are in Swedish kronor (SEK)
